

DOLPHIN PUBLIC SCHOOL

(SENIOR SECONDARY)

2025-2026

“A HAPPY CHILD IS A SUCCESSFUL CHILD”

We find pearls from the ocean

ANNUAL REPORT

INTRODUCTION

Dolphin Public School continues its journey of excellence with the vision of nurturing confident, compassionate, and future-ready learners. Established in 1997, the school remains committed to providing quality education through innovative teaching methodologies, value-based learning, and holistic development. Guided by our respected Chairperson Dr. Mahendra Singh and dedicated faculty members, the school strives to create a joyful learning environment where every child is encouraged to discover and develop their potential.

The academic session 2025–26 has been a year of learning, creativity, achievements, celebrations, and experiential education aligned with the vision of NEP 2020 and NCF guidelines.

OUR VISION

Our vision is to create responsible, knowledgeable, disciplined, and environmentally conscious citizens who contribute positively to society. We aim to promote academic excellence along with ethical values, creativity, leadership qualities, and life skills. Through collaborative learning and innovative educational practices, we prepare students to face future challenges with confidence and compassion.

OUR MISSION

Our mission is to provide a balanced and enriching educational experience that nurtures intellectual, emotional, physical, and social growth. The school is dedicated to implementing learner-centered teaching methodologies, encouraging critical thinking, creativity, communication skills, and real-life application of knowledge while maintaining CBSE standards of education.

ACADEMIC EXCELLENCE

During the academic session 2025–26, Dolphin Public School continued its remarkable journey of academic excellence by nurturing young minds through innovative and learner-centered educational practices. Students showcased outstanding performance in both scholastic and co-scholastic areas, reflecting the school's commitment towards quality education and holistic development. Regular assessments, competency-based teaching, remedial classes, enrichment programmes, and continuous parent-teacher interaction played a vital role in strengthening students' academic growth and confidence.

The school adopted several modern and engaging teaching strategies to make learning more meaningful, practical, and enjoyable. Activity-Based Learning and Experiential Learning Methods encouraged students to learn through participation, observation, and hands-on experiences. Interactive Smart Classes made lessons visually engaging and conceptually clear, while Peer Learning and Collaborative Projects promoted teamwork, communication, and critical thinking skills among students.

To further enhance learning outcomes, the school implemented Portfolio-Based Assessment, allowing students to track their own progress and showcase their creativity and achievements. Subject-Integrated Activities connected classroom concepts with real-life applications, making education more relevant and interesting. Additionally, Skill-Based Worksheets and practical exposure helped students strengthen problem-solving abilities, analytical thinking, and application-based learning.

Through these innovative educational approaches, Dolphin Public School successfully created a dynamic and inspiring learning environment where students were encouraged to think creatively, participate actively, and strive for excellence in every sphere of education.

INNOVATIVE TEACHING–LEARNING PRACTICES

The school actively adopted innovative teaching-learning methodologies to make education engaging and meaningful. Digital classrooms, projector-based learning, hands-on activities, group discussions, storytelling, role play, and project-based learning were integrated into classroom teaching.

Teachers focused on:

- Concept clarity
- Critical thinking
- Communication skills
- Problem-solving abilities
- Real-life application of concepts
- Creative expression

Regular classroom observations and student portfolios helped in monitoring individual progress and learning outcomes.

LEARNING BEYOND TEXTBOOKS

In accordance with NEP 2020 and NCF recommendations, the school emphasized experiential and holistic learning beyond textbooks.

Students actively participated in:

- Art-integrated learning projects
- Science and mathematics activities
- Storytelling and role play
- Environmental awareness drives
- Group discussions and presentations
- Community participation activities
- Physical education and wellness programs
- Innovation and skill-based learning activities

The school continued to encourage creativity, confidence-building, leadership qualities, and collaborative learning among students.

MORNING ASSEMBLIES

Morning assemblies remained an important part of school culture, helping students develop confidence, discipline, and moral values. Theme-based assemblies were conducted regularly focusing on national festivals, important days, and social awareness topics.

Special emphasis was given to:

- National Pledge
- Save Water Pledge
- Road Safety Awareness Pledge
- Thought of the Day
- News Reading
- Motivational Speeches
- Moral Values and Life Skills

Students actively participated in speeches, poems, role plays, yoga activities, and presentations during assemblies.

OLYMPIADS AND COMPETITIVE EXAMINATIONS

To encourage analytical thinking, intellectual growth, and a healthy competitive spirit among students, the school actively collaborated with organizations such as the Science Olympiad Foundation and Orange Education Olympiad. The school motivated students to participate enthusiastically in various national-level Olympiads and competitive examinations designed to assess their conceptual understanding, reasoning abilities, problem-solving skills, and academic excellence.

Students from different classes participated with great enthusiasm in several prestigious Olympiads including the English Olympiad, Science Olympiad, Mathematics Olympiad, Cyber Olympiad, and Hindi Olympiad. These examinations provided students with a valuable platform to challenge themselves academically and explore subjects beyond the regular classroom curriculum. Teachers guided and encouraged students through proper preparation, practice sessions, and doubt-clearing activities to help them perform confidently in the examinations.

Participation in these Olympiads significantly enhanced students' logical reasoning, critical thinking, creativity, and subject knowledge. The examinations also helped students improve their time-management skills, concentration, and confidence while preparing them for future competitive examinations. Through such initiatives, the school continued to nurture academic excellence and inspire students to strive for higher achievements in diverse fields of learning.

EDUCATIONAL TRIPS AND EXCURSIONS

Educational trips and excursions are an integral part of holistic learning as they provide students with valuable experiential learning opportunities beyond the classroom environment. These visits help students gain practical knowledge, improve social interaction, develop confidence, and learn important life skills through real-world experiences. During the academic session, the school organized educational and recreational trips for students of different classes to promote learning through exploration, participation, and enjoyment.

Venue: Mojoland, Gurugram

Date: 13 September 2025

Classes: IV to XII

An educational and recreational trip to Mojoland, Gurugram, was organized for students from Classes IV to XII. The trip provided students with an exciting opportunity to enjoy various adventure activities, water rides, and team-based games in a safe and enjoyable environment. Students participated enthusiastically in different activities that encouraged courage, cooperation, discipline, leadership, and confidence-building. The visit also helped students strengthen their bonding with peers and teachers while learning the importance of teamwork and responsible behaviour. The joyful and energetic atmosphere made the trip both educational and memorable for all participants.

Venue: KidZania, Noida

Date: 5 September 2025

Classes: Nursery to III

A fun-filled educational trip to KidZania, Noida, was organized for students from Nursery to Class III. The young learners explored various real-life professions through interactive role-play activities designed especially for children. Students enthusiastically participated in activities related to different careers such as doctors, firefighters, chefs, pilots, and journalists, which helped them understand the value and responsibilities of various professions in society. The visit enhanced their creativity, communication skills, confidence, and practical understanding in an engaging and enjoyable manner. The trip provided a unique learning experience where education was blended with entertainment and imagination.

These educational trips proved highly beneficial for students as they encouraged experiential learning, independence, teamwork, discipline, and social interaction. Such excursions not only refresh students mentally but also contribute significantly to their overall personality development and practical understanding of the world around them.

CO-CURRICULAR & SCHOOL-WIDE ACTIVITIES

At our school, education extends far beyond textbooks and classrooms. Throughout the academic session, a wide range of activities and celebrations were thoughtfully organized to nurture creativity, confidence, values, leadership, environmental awareness, communication skills, and holistic development among students.

The activities conducted across all wings of the school reflected the institution's commitment to experiential learning and joyful education as envisioned by the CBSE framework and NEP guidelines.

DECEMBER 2025 – HUNAR FEST

An Inter-House Competition, “HUNAR FEST 2025,” emerged as the grand highlight and crown jewel of the academic year at Dolphin Public School. Organized from 15th December to 19th December 2025, the festival transformed the entire campus into a vibrant hub of creativity, enthusiasm, talent, and healthy competition. The week-long extravaganza beautifully blended energy, artistic expression, intellect, and team spirit, providing students with an inspiring platform to showcase their diverse abilities and hidden talents.

With nearly 40 dynamic events, students enthusiastically participated in a wide range of cultural, literary, academic, and performing arts activities. Competitions such as dance, music, drama, debates, quizzes, art and craft, rangoli making, poetry recitation, and other creative events filled the school environment with excitement and applause. Every performance reflected the dedication, confidence, imagination, and hard work of the participants, making each event memorable and engaging.

The four houses—Ganga, Narmada, Kaveri, and Saraswati—displayed remarkable unity, determination, and sportsmanship throughout the festival. Students supported their teams with great enthusiasm, creating an atmosphere of friendly rivalry and collaboration. Teachers also played an important role by mentoring, motivating, and encouraging students during the preparations and performances.

The festival concluded with a grand prize distribution ceremony where exceptional performances were recognized and appreciated. **Kaveri House proudly emerged as the overall winner of Hunar Fest 2025-2026, earning applause and admiration for its outstanding participation and achievements across multiple events.** More than just a competition, Hunar Fest became a true celebration of self-expression, teamwork, leadership, creativity, and school spirit, leaving behind unforgettable memories and cherished experiences in the hearts of students and teachers alike.

Other than this, entire school enthusiastically participated in numerous celebrations and awareness programs throughout the session, like,

1. Earth Day

Earth Day was celebrated in the school with great enthusiasm to spread awareness among students about the importance of protecting the environment and conserving natural resources. A special assembly was conducted in which students delivered speeches and shared thoughtful ideas on saving the Earth from pollution and global warming. Various activities such as poster making, slogan writing, plantation drives, and cleanliness campaigns were organized to encourage students to adopt eco-friendly habits in their daily lives. Teachers guided students about reducing the use of plastic, saving water, planting trees, and maintaining cleanliness in their surroundings. Students actively participated in all the activities and took a pledge to protect nature and contribute towards building a greener and healthier planet.

2. International Yoga Day

International Yoga Day was celebrated in the school to promote physical fitness, mental well-being, and healthy living among students and staff members. The programme began with a special morning assembly highlighting

the importance and benefits of yoga in daily life. Students performed various yoga asanas, breathing exercises, and meditation techniques under the guidance of trained instructors and teachers. The session helped students understand how yoga improves concentration, flexibility, inner peace, and overall health. Speeches and discussions were also conducted to spread awareness about maintaining a healthy lifestyle through regular exercise and discipline. The celebration inspired students to include yoga in their daily routine for better physical and mental health.

3. Independence Day

Independence Day was celebrated with great patriotic spirit and enthusiasm in the school campus. The programme commenced with the hoisting of the National Flag followed by the singing of the National Anthem. Students presented patriotic songs, dances, speeches, and skits depicting the sacrifices and struggles of India's freedom fighters. Teachers explained the significance of Independence Day and motivated students to become responsible citizens of the country. Fancy dress performances portraying national heroes added charm to the celebration. The

event filled the atmosphere with pride, unity, and love for the nation, and students learned the importance of freedom, sacrifice, and national integrity.

4. Janmashtami Celebration

Janmashtami was celebrated with devotion and joy to mark the birth anniversary of Lord Krishna. The school premises were beautifully decorated with flowers, rangoli, and colorful decorations. Students dressed up as Lord Krishna and Radha participated enthusiastically in fancy dress competitions and cultural performances. Teachers narrated stories from the life of Lord Krishna and explained his teachings related to truth, kindness, and righteousness. Bhajan singing, dance performances, and Jhanki decorations added spiritual charm to the celebration. Various craft activities such as matki decoration and crown making were also conducted. The celebration helped students understand Indian traditions, culture, and moral values.

5. Teachers' Day

Teachers' Day was celebrated with great respect and gratitude to honor the valuable contribution of teachers in shaping students' lives. The celebration began with a special assembly conducted by students in honor of their teachers. Students presented speeches, songs, dances, poems, and skits expressing their love and appreciation for their mentors. The importance of Dr. Sarvepalli Radhakrishnan's ideals and contribution to education was highlighted during the programme. Handmade greeting cards and thank-you messages prepared by students made the celebration even more meaningful. Fun activities and games were also organized for teachers to make the day enjoyable and memorable. The programme strengthened the bond between teachers and students and encouraged respect for the teaching profession.

6. Hindi Diwas

Hindi Diwas was celebrated in the school to promote awareness about the importance and richness of the Hindi language. Various literary and cultural activities such as Hindi poem recitation, essay writing, speech competitions, storytelling, and debate competitions for senior class were organized for students.

7. Gandhi Jayanti

Gandhi Jayanti was celebrated to pay tribute to Mahatma Gandhi and spread his message of truth, peace, simplicity, and non-violence. A special assembly was organized where students delivered speeches and performed skits based on Gandhiji's life and principles. Bhajans associated with Mahatma Gandhi were sung by students, creating a peaceful atmosphere in the school. A cleanliness drive was also conducted under the Swachh Bharat Abhiyan to promote cleanliness and hygiene among students. Teachers explained the importance of honesty, discipline, and social responsibility in daily life. The celebration inspired students to follow Gandhian values and become responsible citizens.

8. Children's Day

Children's Day was celebrated with great joy and excitement to make students feel special and valued. The day began with a special assembly in which teachers performed songs, dances, and entertaining activities for students. Various fun games, drawing competitions, cultural programmes, and talent-based activities were

organized throughout the day. Students participated enthusiastically and enjoyed the cheerful atmosphere created especially for them. Teachers also spoke about the love of Pandit Jawaharlal Nehru for children and the importance of nurturing young minds. Gifts, chocolates, and refreshments distributed among students added happiness to the celebration. The programme promoted confidence, creativity, and emotional bonding within the school environment.

9. Constitution Day

Constitution Day was observed in the school to spread awareness about the Constitution of India and the rights and duties of citizens. Students participated in the reading of the Preamble and learned about democratic values, equality, justice, and freedom. Speeches, quizzes, poster-making activities, and group discussions were organized to help students understand the significance of the Constitution in the functioning of the country. Teachers explained the importance of following rules, respecting diversity, and fulfilling responsibilities towards society and the nation. The celebration encouraged students to become aware, disciplined, and responsible citizens.

10. Republic Day

Republic Day was celebrated with patriotism and national pride in the school. The celebration started with the hoisting of the National Flag followed by the National Anthem. Students presented patriotic songs, cultural dances, speeches, and skits based on the Constitution and India's democratic values. A march-past by students reflected discipline and unity. Teachers highlighted the importance of the Constitution and motivated students to contribute positively towards the development of the nation. Prize distribution ceremonies for academic and co-curricular achievements added excitement to the event. The celebration encouraged feelings of unity, patriotism, and respect for the country.

11. Vasant Panchami

Vasant Panchami was celebrated with devotion and cultural enthusiasm to seek the blessings of Goddess Saraswati, the goddess of wisdom and learning. The school campus was decorated beautifully with yellow flowers and decorations symbolizing prosperity and happiness. Students and teachers participated in Saraswati Puja with devotion and reverence. Students came dressed in yellow attire and participated in poetry recitation, music, dance, and art activities. Teachers explained the significance of the festival and encouraged students to value education, knowledge, and creativity. The celebration created a spiritual and joyful atmosphere in the school.

12. Holi Celebration

Holi was celebrated in the school with happiness and excitement to spread the message of love, unity, and togetherness. Teachers explained the cultural and historical significance of the festival and encouraged students to celebrate eco-friendly and safe Holi. Various activities such as dance performances, color-themed art competitions, greeting card making, and storytelling sessions were conducted. Students participated enthusiastically and enjoyed the festive environment. The celebration emphasized the importance of harmony, friendship, and positivity among students while also promoting awareness about protecting the environment during celebrations.

13. World Environment Day

World Environment Day was celebrated with the objective of encouraging students to protect nature and understand environmental issues. Various awareness activities such as plantation drives, poster-making competitions, slogan writing, recycling craft activities, and environmental rallies were organized in the school. Teachers discussed the harmful effects of pollution, deforestation, and excessive use of plastic and guided students about sustainable living practices. Documentary presentations and interactive sessions helped students understand the importance of conserving natural resources for future generations. The celebration inspired students to take responsibility for keeping the environment clean and green.

14. Global Handwash Day

Global Handwash Day was observed in the school to spread awareness about hygiene and healthy habits among students. Teachers demonstrated proper handwashing techniques and explained how cleanliness helps prevent diseases and infections. Students participated in poster-making, slogan writing, role-play activities, and health awareness sessions related to hygiene practices. Discussions were conducted on maintaining cleanliness at home and school. Students took a cleanliness pledge and learned the importance of regular handwashing in daily life. The programme promoted healthy habits and personal responsibility among students.

15. National Sports Day

National Sports Day was celebrated with enthusiasm to encourage physical fitness, discipline, and sportsmanship among students. Various indoor and outdoor sports competitions, fitness drills, yoga sessions, and fun races were organized in the school. Teachers informed students about the achievements and contribution of Major Dhyan Chand to Indian sports. Students participated actively in games and learned the importance of teamwork, dedication, leadership, and fair play. Certificates and prizes were distributed to motivate participants and winners. The celebration promoted confidence, physical well-being, and a positive sporting spirit among students.

16. Summer Camp

The Summer Camp provided students with exciting opportunities to explore creativity, art, dance, games, communication skills, and recreational learning in a joyful and engaging environment. A variety of fun-filled activities were organized to nurture students' talents, enhance teamwork, and promote holistic development. Through interactive sessions, creative workshops, sports, music, craft, and personality-building activities, students learned new skills while enjoying a refreshing and memorable summer experience. The camp encouraged confidence, self-expression, and active participation, making learning both enjoyable and meaningful for all participants.

PRIMARY WING ACTIVITIES

The **Primary Wing** remained vibrant with joyful and engaging learning experiences designed to strengthen **foundational literacy, numeracy, creativity, communication, and life skills**. A wide range of thoughtfully planned activities ensured active participation, hands-on learning, and holistic development among young learners. **Puzzle Solving Activities** and **logical thinking games** enhanced students' analytical abilities, concentration, and problem-solving skills while encouraging teamwork and cognitive growth. **Long Shot Activities** helped students improve focus, aim, coordination, and physical fitness through fun-filled tasks that promoted discipline, patience, and sportsmanship. Through the **Community Helpers Activity**, students learned about the valuable contributions of doctors, teachers, police officers, farmers, and other helpers through role play, costumes, and interactive sessions, fostering respect for social responsibility and dignity of labour.

To make learning enjoyable and activity-based, **Number Hop Activities** combined physical movement with mathematical learning, helping students recognize numbers and improve counting skills. The **vibrant Blue Day Celebration** enabled children to identify colours through creative dress-up activities, rhymes, classroom decoration, and object recognition exercises. **Addition Day introduced the concept of addition through interactive games** and practical activities, making foundational mathematics engaging and enjoyable. Students also explored creativity and motor coordination through **Block Building Activities**, while Sense of Touch Exploration encouraged sensory learning by helping children identify textures and objects through touch-based experiences.

The wing enthusiastically celebrated **Sports Day Activities** where tiny tots participated in races, balancing games, and fun physical activities that promoted fitness, confidence, and teamwork. Environmental Awareness Programs such as **nature walks**, and awareness sessions helped students develop love and responsibility towards nature and the environment. **Sound-Based Learning Activities and phonics sessions** improved pronunciation, listening skills, and language development, while Action Word Games enabled students to understand verbs through movement-based participation. Similarly, Rhyming Word Activities enhanced language fluency, listening ability, and vocabulary through songs, games, and oral exercises.

Students further developed concentration and reasoning skills through Puzzle Solving Sessions and matching games designed according to their age group. **Physical Coordination Activities like balancing, jumping, rolling, and movement exercises strengthened motor skills and body coordination**. During Community Helpers Recognition Programs, students confidently dressed up and spoke about different professions, helping them appreciate social contribution and teamwork within society. Creative expression flourished through Handprint and Art Activities, which enhanced imagination, self-expression, and fine motor skills. In addition, **Storytelling and Conversation Activities** nurtured listening, speaking, imagination, and confidence, making

learning interactive, meaningful, and enjoyable for every child. **These activities enhanced conceptual clarity through play-way methods and hands-on experiences.**

SOCIAL EMOTIONAL DEVELOPMENT ACTIVITIES

Special activities like:

- Know yourself activity
- Parts of Body activity
- Body Image activity
- Conversation activities
- Environmental Awareness Programs
- News Paper reading activity
- Sports and Physical Education activities

Helped students build communication skills, confidence, social interaction, self-awareness, and healthy habits.

The school firmly believes that co-curricular activities are an integral part of education. Throughout the session, every activity was designed to provide meaningful learning experiences, encourage participation, and nurture students into confident, responsible, and compassionate individuals.

These vibrant celebrations, hands-on learning opportunities, and creative engagements made learning enjoyable and enriched the overall development of every child.

SPECIAL TRAININGS AND WORKSHOPS

The school continuously focused on teacher development and capacity building through various workshops and training sessions.

- Life Skill (Advance) Training
- CBSE in-house Capacity Building Programs on various topics
- Art Integration Training
- Classroom Management Workshops
- Child-Centered Learning Strategies
- Cyber Safety Awareness Sessions

These training programs helped teachers strengthen innovative teaching practices and classroom engagement.

SPORTS AND PHYSICAL EDUCATION

The school actively encouraged students to participate in **Sports and Physical Education Activities** to **promote overall fitness, discipline, teamwork, and a healthy lifestyle.** Various indoor and outdoor sports

activities were organized throughout the session to enhance students' **physical strength, coordination, confidence, and sportsmanship**. Students enthusiastically participated in **running races, ball games, relay races, shot put, team-building games, yoga sessions, and several fun sports activities for primary classes**. These activities not only improved **physical endurance and motor skills** but also instilled important values such as **leadership, cooperation, discipline, determination, and team spirit**. Through regular participation in sports and fitness activities, students developed **self-confidence, resilience, and a positive attitude towards healthy living**.

EVENTS AND COMPETITIONS

Students enthusiastically participated in a wide range of **co-curricular and creative activities designed to nurture their talents, confidence, communication skills, and overall personality development**. Activities such as **Storytelling Competitions, Art and Craft Competitions, Singing and Dance Activities, Creative Writing Competitions, Spell Bee Competitions, Public Speaking Activities, Poster Making Competitions, Quiz Competitions, and Science and Mathematics Activities** provided students with valuable opportunities to express their creativity, enhance critical thinking, and build self-confidence. These engaging activities promoted **communication skills, imagination, teamwork, leadership qualities, and intellectual growth, making learning enjoyable, interactive, and meaningful** for students across all classes.

The academic session **2025–26** has been another **successful, enriching, and memorable year** for Dolphin Public School. With the combined efforts of **students, teachers, parents, and management**, the school continued to move steadily **towards excellence in academics, co-curricular activities, discipline, values, and holistic education**. Throughout the session, students actively participated in **various educational, cultural, literary, sports, and life-skill activities**, which contributed significantly to **their overall growth, confidence, creativity, and personality development**.

We extend our heartfelt gratitude to **our dedicated staff members** for their commitment and sincere efforts, to our **supportive parents** for their trust and cooperation, and to **our enthusiastic students** for their active participation and determination throughout the year. Their collective contribution played a vital role in making the academic session productive, meaningful, and successful.

Dolphin Public School looks forward to another year filled with **learning, innovation, creativity, achievements, and success, while continuing its mission of nurturing responsible, confident, disciplined, and future-ready individuals**.

Sincerely
Principal
Dolphin Public School
